

ADMISSION IN APS WELLINGTON FOR ACADEMIC SESSION 2023-24

1. APS Wellington is a premier institute providing holistic and all-round development for the igniting minds in sync with NEP 2020. The school offers various skill development courses such as Robotics, Artificial Intelligence and Financial Literacy. More importantly the curriculum of the school is in alignment with DSSC Training schedule which enables the parents to expose their children to multifarious sports and pastime activities in DSSC. The school breaks coincide with the Tutorial & Midterm breaks of DSSC.
